GALE-ETTRICK GETS BETTER

Joint success: When Trempealeau consolidated with the already combined Gale-Ettrick, the Redmen's football team acquired three starters, end Dennis Blank and linebacker Glenn Brommerick and Dan Brueggen, a few reasons why the Redmen are 6-0 so far this season and holders of a 31-game winning streak, currently the longest streak among high schools in Wisconsin. Defending Coulee Conference champion, Gale-Ettrick is 5-0 in the Coulee thus far.

"The three have been valuable additions," Gale-Ettrick's coach Russ Lund remarked. "We thought we would be strong on defense this year and we have been. Our offensive line has been the surprise for us."

"With a 190-pound average across our defensive front five, we are bigger than we normally are. Par has been from 160-165. Offensively, we don't have one 'big gun' although Steve Scheller is a hard, strong runner at fullback, with 12 touchdowns."

Actually the Redmen's 31-game skein has come under two different coaches, Lund and Larry Whittier. Lund replaced Whittier in 1969, so the Redmen have 22 straight victories under Lund's tutelage. Whittier took a coaching spot at a small independent school near Milwaukee.

Brommerick, 175-pound senior, and Brueggen, 165-pound senior, lend agility to the defense, while Blank, 6-foot-5, 200-pounder, goes both ways at end.

Gale-Ettrick, No.1 rated among small schools in Wisconsin in the final Associated Press football poll in 1970 and 1969, now has 499 students in its top four grades, placing it in the large school class. Cut off between classes in Badgerland is 400.

Reprinted with permission from the St. Paul Pioneer Press. Article by Chuck Dixon

Not only on the football field has unity been shown but also in the classroom. Students met new friends and adjusted rapidly to working together. They worked as a team not only in sports but in student council, classes, various clubs and other social activities all for the betterment of their school, G.E.T.

SOCIALIZING . . .

SENIORS

CLASS OF '72

The class of 1972 was the first graduating class of the Gale-Ettrick-Trempealeau High School with members of the class anxiously awaiting their graduation.

The year was started successfully with an exciting Homecoming week. The senior float placed second in the parade, a senior dominated football team played a victorious season, and the seniors sponsored the festively decorated Homecoming dance, with music provided by the rock group, "Sunshower."

As they enter the adult world, the members of the class of 1972 will always have lasting memories of their days at Gale-Ettrick-Trempealeau.

ACTIVITIES

Queen Barbara
King Dan

The Gale-Ettrick-Trempealeau Student Council sponsored the first Christmas Ball on Saturday, December 11, 1971 with "Christmas Dreams" the theme of the semi-formal dance.
The gym was decorated with traditional evergreen trees, lights and paper streamers. A large three-dimensional, tinfoil star was hung in the center of the gym.
The royalty was crowned at 9:00 PM. Following the coronation, the court led the grand march.
Long-stemmed red roses were presented to the Queen and her attendants by the Student Council.
Refreshments were served by the Student Council. Ken Bye's band provided music from 8-11 PM.

CHRISTMAS DREAMS

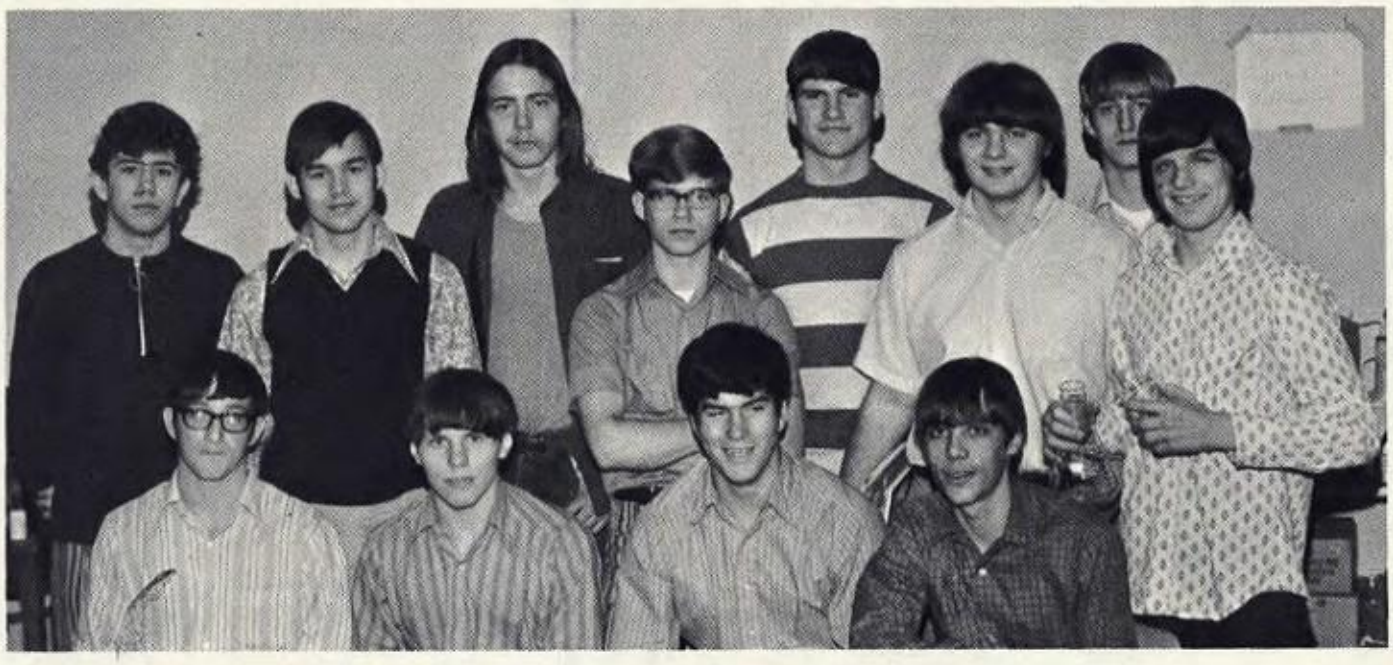
NEW CLUBS FORMED

INDUSTRIAL ARTS CLUB

ROW 1: J. Bettesworth, J. Douglas, J. Stegemeyer, J. Paulus, M. MacDonald, T. Hovre, L. Jacobson, D. Hanson, E. Komperud, T. Halderson, T. Mosier, J. Mulac, J. Richer, D. Anderson, D. Osborn, E. Trim, R. MacPhetridge. ROW 2: D. Bolterman, L. Howe, W. Johnson, J. Hogden, R. Onsrud, J. McDonah, D. Anderson, T. Hunter, R. Neiderkorn, N. Bell, P. Trim, G. Smith, V. Conrad, M. Clark, R. Tranberg, J. Sahlstrom, L. Dahl. ROW 3: D. Baardseth, L. Wagner, M. Delaney, G. Thill, R. Buchholz, S. Heath, M. McClanahan, R. Bice, E. Moller, C. Ouellette, B. Stephan, D. Rowlands, D. Baer, T. Smith, D. Schirmer, Darrell Enright. ROW 4: Gary Mickelson, S. Renning, P. Halderson, P. Williamson, T. Johnson, B. Harris, S. Richason, K. Wason, B. Benrud, J. Husie, T. Reimer, M. Stellflue, D. Remus, C. Ryder, R. Severson, D. Evenson, R. Nastvold, W. Ziegler, M. Johnson.



SCIENCE CLUB

R. Neiderkorn, E. Przytarski, E. Kopp, K. Kriesel, D. Harvey, B. Naer, J. Cantlon, J. Hogden, S. Scheller, F. Beseler, S. Kopp, I. Diamond.

The Industrial Arts Club was added this year at Gale-Ettrick-Trempealeau High School. The club is open to any student presently taking an industrial arts course. With its membership numbering between 70 and 80, the club has already engaged itself in many activities, such as open shop, field trips, roller skating and a basketball team.

The club officers are Dean Remus, president; Paul Halderson, vice-president; Mike Mlsna, secretary; and Todd Johnson, treasurer. The advisors for the club are Mr. Duellman and Mr. Prussing.

A distinguished honor attained by the club was that of being an affiliate of the Wisconsin Industrial Education Association Inc. The award was presented to Mr. Duellman at the WIEA convention in November.

Science Club

The science club, one of the newer clubs at G. E. T. , has participated in various activities. Working for scholarships was popular with the senior members.

A guest speaker from Viterbo College introduced the members to many scientific fields.

Lectures and movies concerning water pollution in the area were open to the public.

Field trips to various places such as the Trempealeau Wildlife Refuge highlighted the year.

CAMELOT

Queen Mary

King Wayne

"Camelot", with all its magic, was the theme of the 1971 Junior Prom. Knights and ladies of the court attending were Wayne Meunier, king; and Mary Anderson, queen; Ed Pryztarski and Eileen Clark, Steve Scheller and Anita Bishop, Mike Stellflue and Lynita Docken, John Byom and Marcy Johnson, Alan Paulson, and Connie Hanson and Chris Moulton and Reed Neiderkorn.

The mood of King Arthur's time was carried out with a simulated castle, drawbridge and wall murals. The effect was that of the romance and mystery of medieval times, and with music by the Continentals, the setting was complete.

YEARBOOK DEADLINES COME AND GO

ANNUAL STAFF COPY

"Who's doing the Senior Directory"

"We've only got 30 more pages left!"

"Mrs. Hanson, is this captain okay?"

"When WAS that deadline?

These are a few of the comments which are heard time and again during a yearbook meeting.

Meeting Monday through Thursday nights after school, the staff is constantly busy trying to complete the required pages for each deadline.

With the addition of Trempealeau to Gale-Ettrick, the annual now consists of 100 pages. With the increased size of the yearbook, the work also increased.

Being part of annual staff is not all fun and games; many times it's just plain drudgery. But the finished product makes it all worthwhile.

STUDENT COUNCIL SPONSORS CHRISTMAS BALL

ABOVE: President, W. Klien; Vice-President, K. Twesme; Secretary, C. Wilber; Treasurer, D. Adams.

With the increased enrollment of 500 students at Gale-Ettrick-Trempealeau this year, the Student Council voted to change the number of class representatives from three to five. Another significant change in the constitution now requires a fall election from among the Junior Class representatives of a vice-president who will serve as president the following year.

Major projects of the Student Council included the planning and supervision of Homecoming activities the third week in September and the sponsorship of a Christmas Ball on December 11th. A well-received innovation this year was the presentation of an all-school Christmas party the last day before vacation. Representatives of various student groups provided a wide variety of entertainment, and judges awarded cash prizes to three winners.

The operation of the pop machine continued to be a source of income, enabling the Council to make a sizeable contribution toward the purchase of the new out-door electric scoreboard for the athletic field.

With a larger student body and more members, the Student Council is looking to a future of increased activity and service to the school. Much of the success of the Student Council this year can be attributed to the time and effort given by our active and interested advisor, Mr. Dave Lund.

BELOW: D. Adams, R. Grant, R. Wood, L. Johnson, A. Lettner, C. Wilber, L. Parkhurst, J. Erickson, P. Nichols, K. Twesme, Steve Scheller, Jeff Hogden, Eileen Clark, Connie Hansen, D. Baer, P. Scheller, L. Klien, W. Klien.

KEYNOTE IS SERVICE

Service is the keynote of the Library Club. Members promote reading and help fellow students use the variety of materials in our learning center. Members of the club also strive to stimulate interest in librarianship as a profession. A paperback bookstore, staffed by the student librarians, is open daily.

Each year the club sends a representative to the summer workshop at the University of Wisconsin, Madison campus. The group is affiliated with SLAW (Student Librarian Association of Wisconsin) and also with the Western Wisconsin Student Librarian Association. On December 11, members attended the meeting of this group at Westby High School. During the school year student librarians held two pot-luck supper work sessions. In April, through the efforts of club members, National Library week was highly publicized in both school and community.

N.H.S.....

NHS is a service organization to better our school and community.

The members of the National Honor Society worked this fall as guides for the Parent-Teacher Conference and sponsored a mixer for the student body. Other activities have been ushering at school events and running the college information center in the library.

Since the merger of Gale-Ettrick and Trempealeau our chapter has increased by seven members so new members will not be initiated until early in 1972.

The officers for the 1971-72 school were president, Dan Spencer; vice-president, Donna Adams; secretary, Katy Twesme; and treasurer, Wayne Meunier.

ABOVE: E'couter bien.

FRENCH PATISSERIES A TREAT

FRENCH CLUB

Students presently studying the French language and those who have previously taken at least two high school courses are eligible to join Le Cercle Français. Students of all levels meet and join in a number of activities all of which focus around use of the foreign language. A special treat is attending the Grand Gala Dîner at Eau Claire State University.

Students enjoy making different French pâtisseries such as Buche De Noel, (a yule-log), Eclairs and Napoléons.

THE SOUND OF MUSIC

The first year of the G. E. T. High School Band has been a successful one. Expanding the number of members and personnel has created a better balance and sound.

In the fall of 1971, officers were elected: Jeff Hogden, President; Leda Severson, Vice-President; Pam Sacia, Secretary; and Jane Beirne, Treasurer.
A stage band was formed to produce another form of music that the students enjoyed.

Three concerts were presented during the school year: a Christmas concert that included medleys of Christmas songs; a pops concert in February with marches, rock tunes, and selections from musicals; and a spring concert presenting music performed at Festival.

During January, Mr. Burkhart, a student teacher from La Crosse State University helped Mr. Rowlands with the Band activities and has been a great help to us all.

GIRLS' GLEE CLUB MAKES MUSIC

MIXED CHORUS AND GLEE CLUB

The Mixed Chorus and the Girls' Glee Club, under the direction of Mr. Randall Swenson, presented four concerts in conjunction with the high school band. A Christmas Concert was held December 15 and a Pop Concert in February. An early spring concert was held which focused on the music which was performed at the District Band and Choral Music Contest. The spring concert was held as a finalé of the year's work.

As an extra project, the chorus and glee club went Christmas caroling in Galesville, Ettrick and Trempealeau.

The choral department tries to perform music from each different musical period: Renaissance, Baroque, Classical, Romantic, Contempory, and Pop Music.

Students are encouraged to participate in the solo and ensemble contest with solos, duets, trios, and triple trios.

The 1971-72 officers of the Mixed Chorus were president, Alan Paulson; Vice-President, Shauna Dettinger; Secretary, Margaret Welch; and Treasurer, Mike McClanahan.

The Girls' Glee Club selected Monica Henderson as President, Jane Beirne as Vice-President, Carol Williamson as Secretary and Diane Walski as Treasurer.

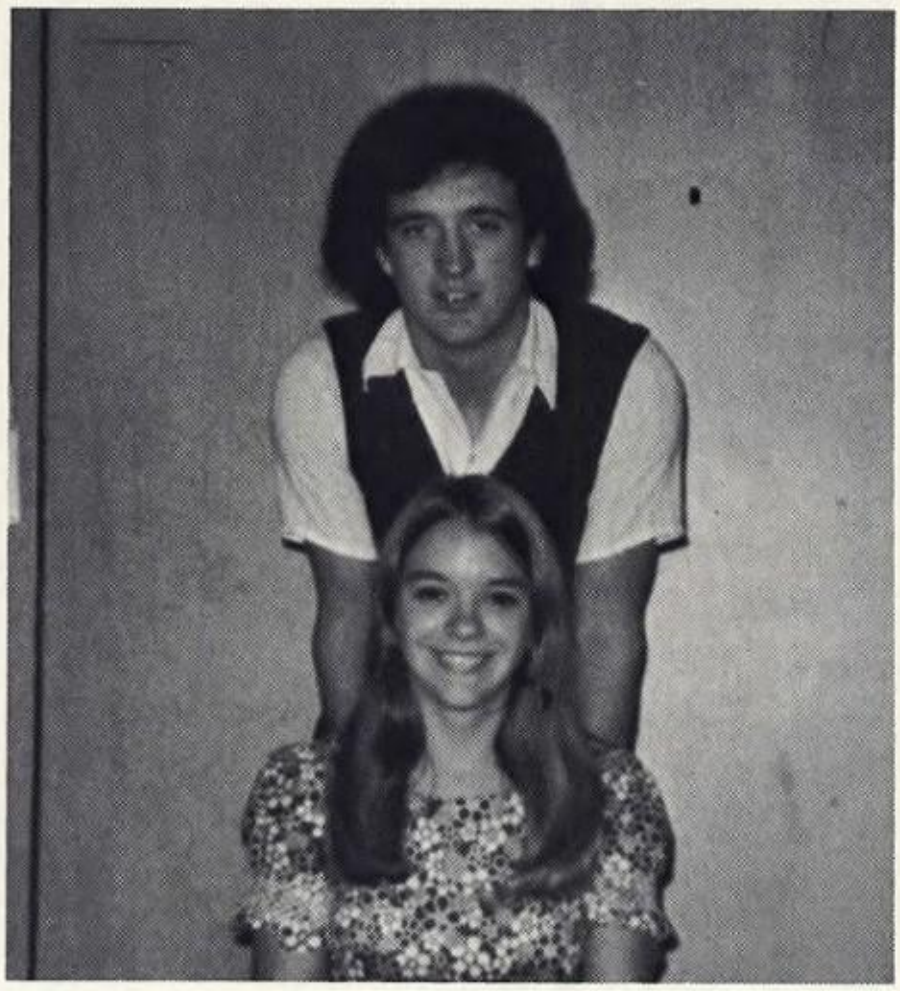
AROUND 'INDIAN SUMMER' THEME



Homecoming activities officially opened with a bonfire and pep fest on Thursday evening, September 23, as Queen, Rhonda Brandtner and King, Dan Brueggen began their reign.

Named to the court were: Carla Bell and Steve Scheller, Margaret Welch and Glen Brommerich, LuAnn Hovell and Mike Stellflue, Donna Adams and John Byom, and Shari Dahl and Dan Folkedahl.

The following day was filled with excitement as the band, cheerleaders, queen and her attendants and floats marked a colorful parade.

Anticipation, school spirit and excitement filled the crowd as the mighty Redmen were to meet the Arcadia Raiders in a clash that was to be the toughest of the season. The Redmen proved their worth in a 6-0 victory over the Raiders.

Students danced around the theme "Indian Summer" with music by The Sunshower which ended a happy and victorious Homecoming.

TOP LEFT: Homecoming attendants LuAnn Hovell, Shari Dahl, Margaret Welch.

CENTER: Homecoming attendant Carla Bell and Cheerleader Donna Adams.

POM PON GIRLS INCREASE REDMEN SPIRIT

POM PON SQUAD

The Pom Pon Squad, advised by Miss Lebakken, has performed at all our home football and basketball games this year. They attended an all-day Workshop in La Crosse during October to learn new routines. They have worked very hard and practiced a great deal, but it was worth it and also a lot of fun.

The 18 girls on the squad also sold candy and Christmas candies this year to raise money.

Their captain was Lynita Docken, Kathy Rand was the co-captain, and Betty Henthorn was the secretary-treasurer.

ABOVE: Whatever happened to your diet?

PEP CLUB FORMED

A wrestling cheerleading squad was added to the roster this year. The wrestling cheerleaders are Yvonne Bell, Jane Erickson, Karen Johnson, Jodi Mlsna, Lois Hammond and Mary Sacia.

Besides leading the cheering crowds to inspire the teams, these girls sponsor a mixer, several bake sales and aid in the organization of Parent's Day during the football and basketball seasons. This event allows the parents of the varsity players to be introduced and try their skill at punting if they wish.

In addition to this, the squads attend as many clinics and workshops as their schedule allows, to learn new techniques.

LEFT: Bookends

The Girls Athletic Association (G. A. A.), boasting a membership of 127 this year, participated in such diverse activities as basketball and bowling in the fall; curling, broom hockey and volleyball in the winter; softball and archery in the spring.

To earn a letter a member must participate in two of these activities per year for two years. Pins and bars are additional awards for the third and fourth years. Other activities the girls participate in include a special swim party, a bowling party, and a tobogganing and skating party. The officers this year are Anita Bishop, President; Diane Walski, Vice-President; and Carol Wilber, Secretary-Treasurer.

The gymnastics team, coached by Mrs. Warriner and headed by Captain Katy Twesme, showed great promise for many successful seasons to come. The core of the team is made up of juniors and sophomores with only two seniors graduating. The team defeated Melrose-Mindoro and LaCrosse Logan in dual meets and came in a close third in a quadrangular held at West Salem. A 14-school invitational, also at West Salem, showed what a high level the girls around the state have reached in this sport.

Competition is held in four areas: floor exercise, balance beam, uneven parallel bars, and side horse vaulting. A girl may choose to do beginning or intermediate compulsory routines or intermediate optional routines.

F.H.A. CONTINUES WORK OF SERVICE

ROW 1: B. Sacher, B. Larson, B. Aasland, J. Hogden, B. Lettner, S. Dahl. ROW 2: D. Smikrud, J. Jacobs, J. Stenberg, A. Olson, M. Willbur, L. Corcoran, R. Beirne, L. Johnson, D. Redsten, C. Drugan. ROW 3 : D. Henderson, D. Walske, D. Kleppen, B. Williamson, D. Aasland, P. Cook, B. Harnisch, L. Quall, D. Schmitt.

THE FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America, advised by Mrs. Jacobson and Miss Lebakken, have been very busy this year. They attended a rally at Cochrane-Fountain City in October and planned a Bake-Off for April. In October, they initiated 22 new members, bringing the total membership to 66 girls. The seniors also took their annual spring trip.

The FHA baked and sent cookies to servicemen and sent Christmas presents to the children in an institution as a part of the FHA Handshake Program. They also took a trip to the Trempealeau County Hospital in March and conducted the UNICEF project in Galesville, Ettrick and Trempealeau in October.

The president of the FHA was Kathy Butman, and Carol Wilber was the vice-president. The treasurer was Donna Adams, the secretary was Becky Smith. Beth Bahnub was historian, recreation chairman was Linda Lakey, the office of parliamentarian was held by Margaret Welch and the degree chairman was Barb Aasland.

FHA Officers, M. Welch, B. Bahnub, B. Aasland, L. Lakey, B. Smith, K. Butman, D. Adams, C. Wilber.

F.F.A. IS WORK AND FUN

F. F. A. - The future Farmers of America officers join officers of other schools in this area for a Leadership workshop in the fall. Learning how to be better leaders in all fields of F. F. A. is one of their main goals. A freshman is selected to compete in a creed speaking contest and an upper classman is selected to compete in an oratroy speech contest.
The F. F. A. participates in several Judging contests which includes the State Judging Contest in Madison, the Agricultural Technology Contest in River Falls, and the Northwest Judging Contest in Eau Claire.
The annual magazine sales is one of the ways to raise funds.
The F. F. A. also sell "Slow Moving Vehicle" signs as a community service to the farmer.
The National F. F. A. gives awards to the chapters involved in bettering their communities. The Gale-Ettrick-Trempealeau Chapter has been receiving a superior rating. On the State level is the Wisconsin Farmer Degree. The Wisconsin Farmer is picked from the Chapter Farmer which has progressed the most in bettering his farm. At Awards Night, we give such awards as Star Greenhand, Chapter Farmer, Top Senior, and other awards that the members have earned. The seniors take an annual trip at the end of the year as a special reward for work well done.
Delegates represent our club at the state F. F. A. Convention, which is held at Green Lake, Wisconsin.
During the winter months the F. F. A. has basketball games between groups of members with tournament playoffs.
The fairs provide entertainment and extra cash for those that enter. We participate in the Trempealeau County Fair, the Wisconsin State Fair, and the Northwest Livestock Exposition.
The state provides F. F. A. clubs with trees to start wood lots and pheasants to raise and let loose for the hunting season.

W. J. D. A. - The Wisconsin Junior Dairyman's Association (W. J. D. A.) is a program to promote Dairy herd testing and improvement.
In 1971, the State Convention and Dairy Show were held at the Gale-Ettrick-Trempealeau High School. The first day of the convention was busy with meetings and milk testing records being checked. The night at the banquet the new officers were announced and a guest speaker gave his presentation. The sectional contest will be held here in 1972. Each year awards are given by the W. J. D. A. for completing testing as well as for other achievements.
The W. J. D. A. is incorporated into the F. F. A., so both are a part of the total vocational agricultural program.

DAVE: Guaranteed to kill a cold.

DRAMA CLUB PLACES SECOND IN SUB-DISTRICT

The drama department, staffed by Mr. Costanzo and Mrs. Runnestrand, was well supported this year by the Drama Club, which sponsored the Halloween Mixer "Dark Shadows" and helped with the all-school Christmas talent show at which a group of girls presented "Father Reads the Christmas Carol".

In the fall, a one-act play, presented as an assembly to the student body, received a B rating in competition in the Sub-District Drama Contest at Blair.

The spring presentation was a three-act play, chosen by a student committee and directed by Mr. Costanzo.

CLASSES

CLASS OF '75

Entering G. E., the class of '75 immediately felt the excitement of high school life. The atmosphere was entirely different from that of junior high but the green freshmen seemed to adjust very well.

They added their prize-winning float, "Bug Off Raiders" to the festivities surrounding Homecoming. With that success behind them, they could then look forward to the many other unforgetable experiences of high school with eager anticipation.

CLASS OF '74

Uniting their numbers with Trempealeau to become the largest class of G-E, the Class of '74 has been showing their numbers, class spirit, and school spirit in many activities and organizations through-out the year.

Getting off to a great start with a good turnout for their mixer, "Smiling Faces," the Sophmores have shown enthusiasm and initiative in everything they do.

Because of their willingness to learn and their drive to succeed, the Class of '74 has found, and will continue to find, its high schools years rewarding.

Class officers are: president, R. Aasland; vice-president, B. Stephan; treasurer, S. Oftsdahl; and secretary, S. Becker.

CLASS OF '73

Uniting as one wasn't hard for the Class of '73. School Spirit, pride and loyalty were characteristics that bonded the Juniors together as soon as the football season began and has continued ever since.

The Juniors began a year of constant activity, with their mixer "Signs"; class elections, and the handing out of class rings. The biggest event of the year will be their spring prom.

ATHLETICS

REDMEN WIN FOURTH CONSECUTIVE CONFERENCE TITLE

The 1972 - Redmen were bolstered by the attachment of Trempealeau to our school district. In just a few weeks the athletes from the two schools were united into a single, cohesive unit that brought the Redmen their fourth straight conference championship and extended their winning streak to 33 games, the longest winning streak going in the state at this time.

This year's team featured a ball-control attack, with Steve Scheller providing the power running and Dan Brueggen, Dan Folkedahl and Dan Baer furnishing the speed to run wide. Junior quarterback, Fran Peterson, directed a short passing game that provided balance to the Redmen attack. In addition to the backs already mentioned, Peterson's prime receivers were John Byom and Dennis Blank. This years offensive line, Reed Neiderkorn, Todd Johnson, Ed Przytarski, Dean Remus and Darcy Remus, did an outstanding job in paving the way for our runners and protecting the passer.

The defensive unit was led by a strong group of linemen that provided a particularly good pass rush. Dennis Blank, Steve Scheller, Tony Jensen, Paul Halderson, Ed Kopp, Lonnie Krackow and Todd Johnson all saw a lot of action in the defensive line.

Glenn Brommerick, Dan Brueggen and Tim Hauser provided the Redmen with strength at the key linebacking positions.

John Byom, Mike Stellflue, Rich Truax, Mark Olson, Dan Baer, Dan Folkedahl, and Pat Scheller all saw action in a secondary that came up with many key defensive plays throughout the season. John Byom, Dan Brueggen, Steve Scheller, Todd Johnson and Darcy Remus were all honored by being chosen to the all conference team.

This was a particularly satisfying season. Athletes who had previously been bitter rivals were thrown together on the same field and were men enough to throw off any old animosities and become a strong unit that we are all very proud of.

We will lose 12 senior lettermen through graduation, but with 21 returning lettermen, we hope the 1972 - football team will continue to play football in the Redmen tradition.

J.V. HAD 6-1 SEASON RECORD

The Junior Varsity Football squad finished the season with a record of 5 wins, 1 loss and 1 tie. They had wins over Holmen, Bangor, West Salem, Onalaska and Arcadia. Their one loss came at the hands of Melrose-Mindoro and they were tied by Cochrane-Fountain City.

The squad consisted of 17 sophomores and 28 freshmen who really enjoyed playing football.

ROW 1: T. Smith, J. Mulac, M. MacDonald, D. Cantlon, D. Anderson, D. Allen, G. Jacobs, J. Christianson, T. Halderson, J. Collins, T. Cook, E. Trim. ROW 2: D. Spencer, D. Ryder, G. Krackow, S. ABOVE: If you want it, come and get it!

The 1971-72 basketball Redmen were off to an excellent start with Dennis Blank, John Byom, and Mike Stellflue doing a large part of the scoring. Steve Scheller made a big contribution to the team effort with good defensive play and strong rebounding. Wayne Meunier accepted the role of team leader and in this role was responsible for seeing that our offense and defense functioned smoothly. Fran Peterson, Ken Casey and Paul Williamson saw considerable action in reserve roles. Defense was the strongest part of the Redmen game this year.

G.E.T. HOSTS REDMEN INVITATIONAL

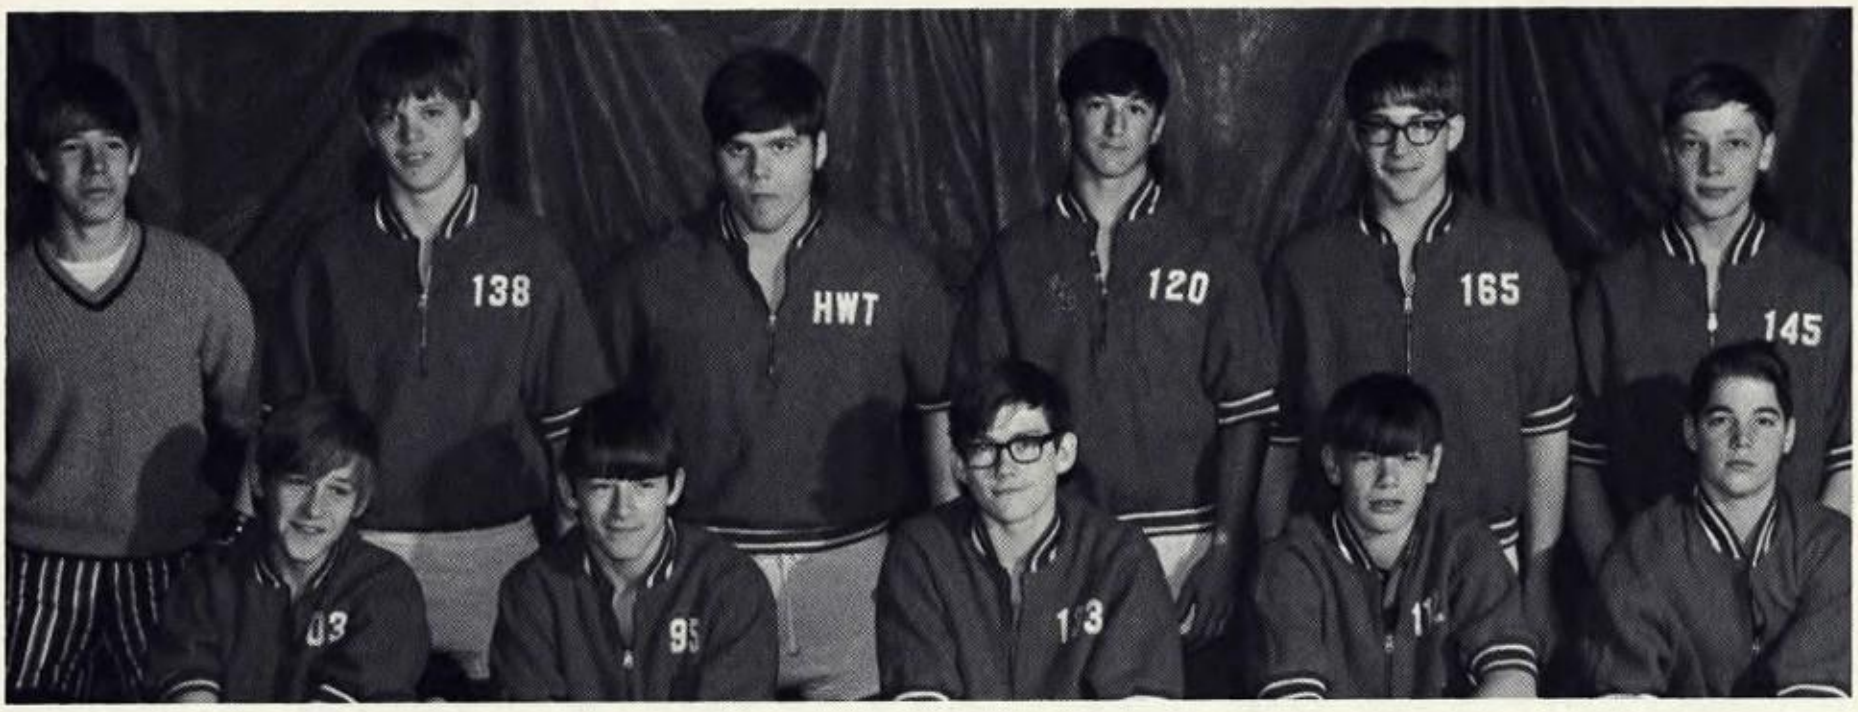
ROW 1: T. Mosier, W. MCutchen, T. Hauser, I. Diamond, T. Trowbridge, T. Cook. ROW 2: E. Przytarski, R. Niederkorn, C. Ouellette, P. Halderson, D. Remus, J. Hauser.

The Redmen wrestling team had a very disappointing season. Injuries, illness and the lack of depth resulted in forfeiting 12 to 18 points in dual meets then losing by 3 to 8 points.

The Redmen wrestlers were very tough in tournaments, finishing second in the Melrose-Mindoro Invitational, 4th in the Redmen Invitational and in the first division in the Dairyland and Regional Tournaments.

Outstanding individuals with winning records were: Wayne McCutchen, Ed Przytarski, Reed Niederkorn, Irv Diamond, Tim Hauser, and Paul Halderson.

The Redmen "B" squad boasted some outstanding individual records. Expected to replace this year's graduating seniors are: Darcy Remus, Jeff Hauser, Gary Mickelson, Dan Uhl, Dave Ryder, Tom Mosier, Greg Smith, Bob Niederkorn, Craig Ouellette, and Tim Strong.



Manager, K. Larson; G. Mickelson, T. Strong, R. Niederkorn, G. Smith, J. Mulak, S. Krug, D. Ryder, T. Halderson, W. Baird.

TRACKMEN WIN

The 1971 Track season at Gale-Ettrick proved to be an interesting one. The season started slowly in the win department in most of our dual meets as we lacked depth and numbers of participants. We often won as many in events as other teams, but the second and third places in many cases went to the opposition, and Gale-Ettrick was unable to do the same in the events won by the other teams.

The larger the meet, the better our thin clads did. One of the biggest thrills for all of us came at Memorial Field in La Crosse on May 1, 1971. It was the Red Raider Relay (formerly Peacock Relays) which the Redmen of Gale-Ettrick won. We came in first out of nineteen schools in class "C" division. Mike Baer won the long jump and 100-yard dash. Our 880-yard relay team won its event with Mike Baer, John Byom, Bob Oines, and Greg Biesen teaming up for the honors. We also gained points with Ed Kopp's efforts in putting the shop, and also with efforts of the mile relay team. Bob Oines second in the pole vault added the final team points.

In the Trempealeau County meet held at Winona's Jefferson Field we placed third behind Arcadia and Trempealeau. We placed sixth out of fifteen teams in the Holmen Relays. The Coulee Conference was very strong in Track in 1971. Evidence of this was seen at the State Track meet at Monona Grove High School Field in Madison. Three conference schools placed among the top ten in class "C" competition. Gale-Ettrick placed sixth in total points. Mike Baer won class "C" Long Jump with 21' 4 1/2" for his best effort of the year. John Byom, Bob Oines, Greg Biesen, and Mike Baer placed fifth in state in the 880 yard relay with a 1:34. 1 time. Tim Twesme, Mike Baer, John Byom, and Bob Oines earned a third place in the mile relay with a time of 3:33. 5.

A great deal of work and time was put into the successes achieved by our track team in 1971. With more depth and numbers participating, the season could have been even more successful. Hard work was rewarded by winning the Red Raider Relays and a very respectable effort at the state meet.

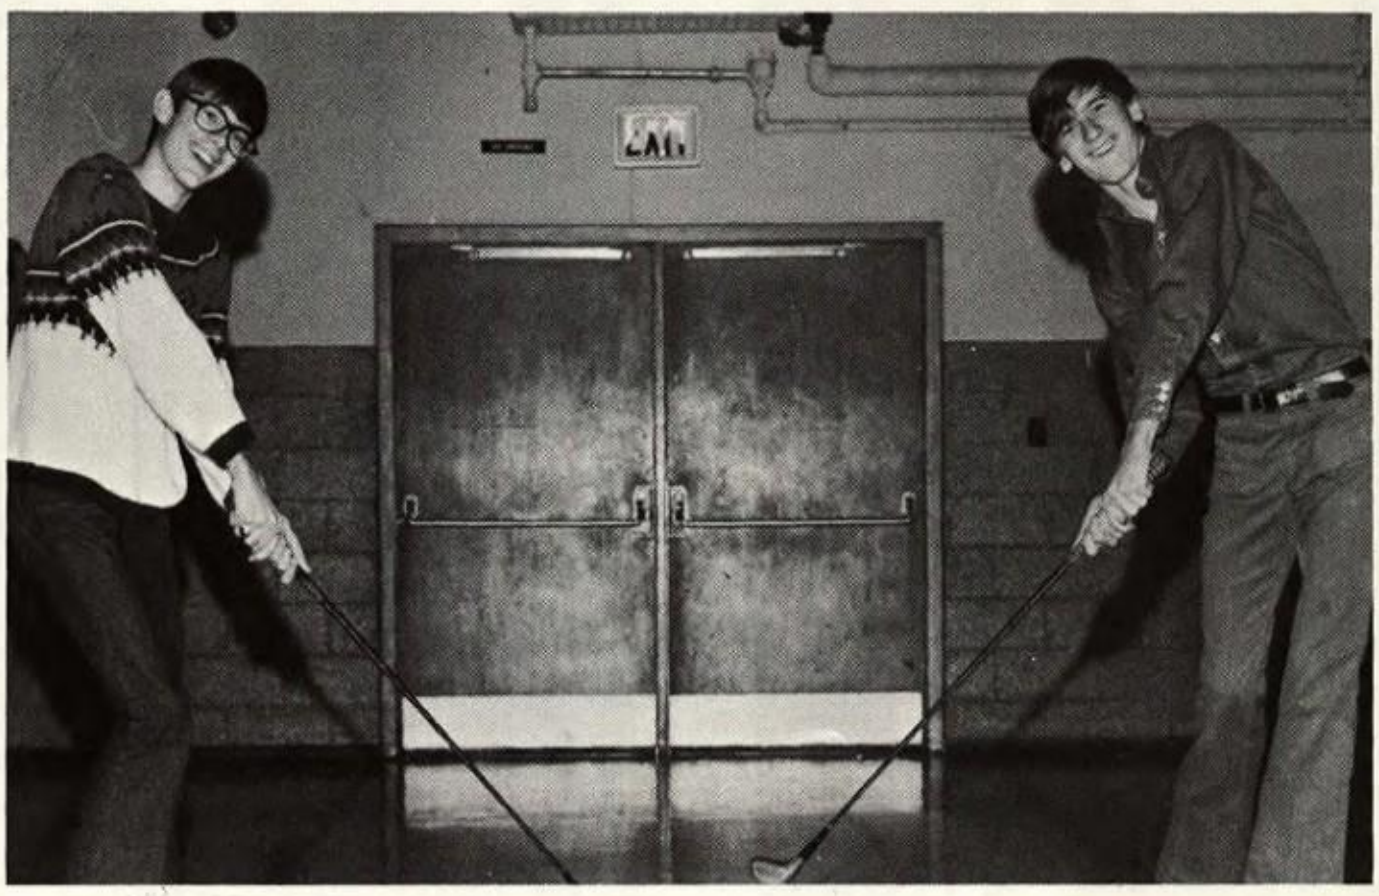
GOLF SWINGS INTO ACTION

RIGHT: Coach Fitzpatrick, D. Osborn, P. Flaherty, D. Severson, J. Elstad, M. Severson, P. Williamson.



RIGHT: Fine Golf Course Boys.

ABOVE: Where's the ball?

Our golf season proved to be most interesting and exciting. We had four returning lettermen-three seniors and one sophomore, so we had felt that if we could get started fast, we could place first in the Coulee Conference. However, Onalaska and West Salem played in true championship style and as a result we finished in third place. As the season progressed, our team became more consistent and delibrate in its scoring. At Arcadia we won the regional tournament. On to Black River Falls to compete in the section where we finished regulation play in a three-way tie with LaCrosse Central and Wisconsin Rapids. In a sudden death playoff we won the sectional and qualified for the State golf tournament at Madison. This was the second time in four years that we have sent a golf team to the state tournament. For a retiring golf coach it was a most rewarding year.

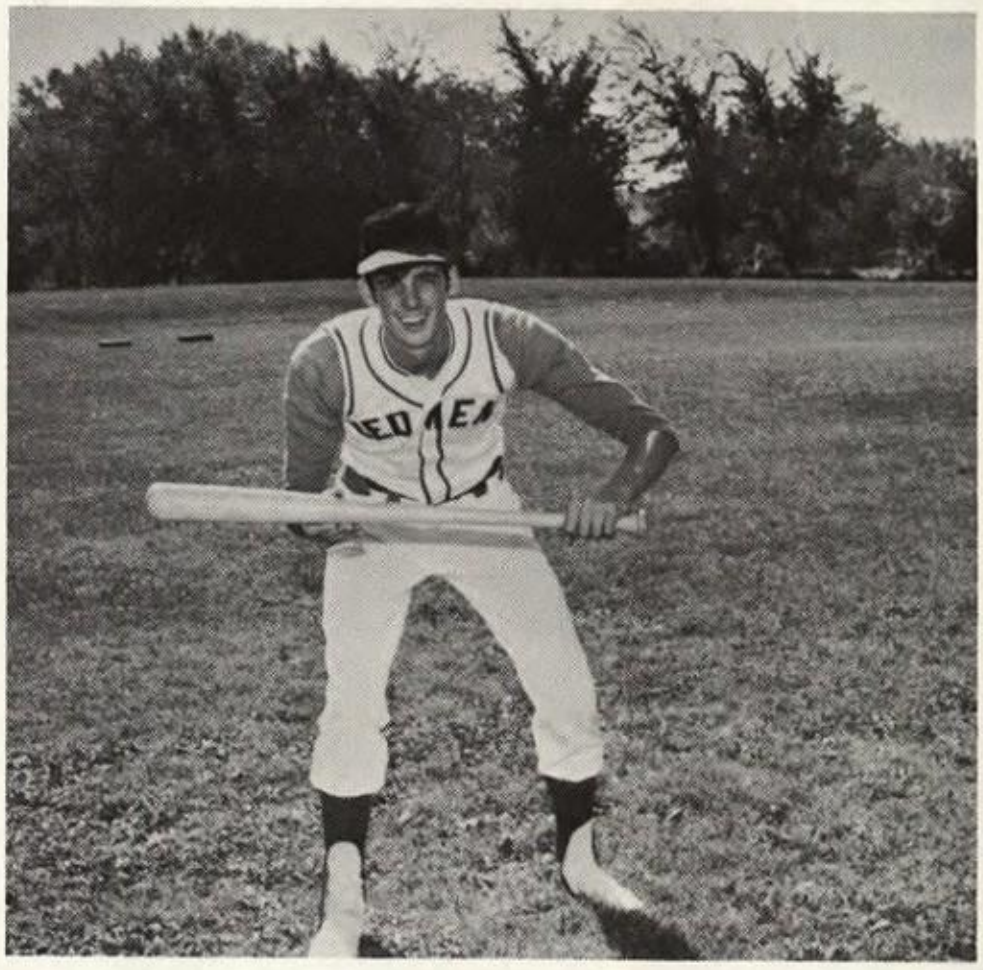
BELOW: Who are you trying to kid, Meunier?



The Redmen baseball team won the Coulee Conference Championship with a conference record of 13 wins and 1 loss. Their overall record was 16 wins and 4 losses.

Paul Sacia was the mainstay of a strong pitching staff. Dan Skaar, Wayne Meunier and Fran Peterson also saw action on the mound. Orie Elstad had an outstanding year behind the plate. Bob Truax, Bruce Stuhr, Wayne Meunier and Mike Baer played some excellent baseball in the infield, providing the pitchers with many fine defensive plays that are so essential to a successful baseball season. Tim Twesme, Dan Skaar, Ed Przyarski and John Byom provided sound defensive play in the outfield. Kevin Hunter and John Emmons also saw enough action to win letters.

The J. V. baseball team played a 12-game schedule, winning 8 and losing 4. Since 8 seniors have been lost through graduation, the 1972-Redmen will count heavily on these J. V. athletes to continue the winning ways of the 1971-team.

ROW 1: M. Hilton, D. Blank, W. Henderson, D. Baer, W. Stephens, F. Peterson, L. Dahl, M. Clark. ROW 2: S. Hovell, T. Hunter, T. Johnson, J. Elstad, D. Salsman, J. Truax, M. Severson, K. Casey, J. RIGHT: One man blitz!

With the addition of Trempealeau the Lettermen's Club had grown in membership to 54 members. As in past years, the lettermen helped sell pop and usher at the basketball games. Due to the addition of Trempealeau lettermen, officers for the Club were elected in the Spring.

The constitution was revised, and new rules of eligibility were adopted for our athletes. The school name has been changed to Gale-Ettrick-Trempealeau, but the nickname "Redmen" was retained. The school colors are still red and white, but there will be a slight change in the jacket and uniform worn by our athletes. These changes in lettermen jackets and sweaters were voted on this spring.

ADMINISTRATION

FACULTY

G.E.T. TOGETHER

Gale-Ettrick and Trempealeau, separate units through June of '71, united for the 1971-72 school year. The year began a period of apprehension and expectation for many of us. We knew that each school had its own greatness and potential; each school was proud of its heritage, tradition and accomplishments. The new high school should be able to draw on the past and move forward to even greater feats than each school could have by itself. This was our expectation. Our apprehension concerning the '71-72 school year was dissipated within a few weeks. Students found a common cause to rally around. The football team, composed of players from both schools, started the season successfully and continued winning. The unity demonstated in supporting the football team extended to other facets of school life. Election of organizational officers, student council members, and king and queens showed complete disregard for locality origin. As the school year progressed, the students demonstrated their unity to an increasing degree, and soon the school was commonly being called Gale-Ettrick-Trempealeau. (The name was accepted having been decided on by a majority of the students.) It seemed to illustrate and secure the great tradition and history of both great schools.

During the school year, new courses and organizations appeared. A pep club was organized to support our team. An industrial arts club, wrestling, cheerleaders and new courses such as psychology, sociology, and advanced courses now being offered were initiated in our school life. Faculty members in the various departments also started working on an evaluation of present curriculum offerings and laid the ground work for new offerings in the comming year. They are hoping that the new design of course offerings will fit the needs and desires of our students.

The success of the 1971-72 school year is a tribute to the understanding and tolerance exhibited by students, teachers and others concerned with our school and has proven that two schools, Gale-Ettrick and Trempealeau, can bring their greatness and proud traditions together - that they can draw from, and use their greatness and tradition to formulate their goals for greatness as Gale-Ettrick-Trempealeau High School, I say, "Thank you for making our year a success, and I hope that your experiences here have helped to build a platform for your future.

NEW COURSES ADDED TO BUSINESS CURRICULUM

ABOVE: Mrs. M. Rowlands
TOP RIGHT: Mrs. G. Hanson
BELOW: Mrs. A. Nerby

Mrs. Nerby, new to the business department this year, is teaching Typing I, Shorthand I and Bookkeeping. Mrs. Rowlands another addition to the department, is teaching Typing I and Personal Typing half days. Mrs. Hanson teaches Typing I, Typing II, Shorthand II and a two-hour block Office Education class.

Typing II, Shorthand II and Office Education is new to the curriculum this year. Office Education is of special interest to seniors who plan to enter the office labor market immediately after graduation or who plan to attend a technical institute. The classroom takes on the appearance of an office through the use of office furniture, office machines and other routine office equipment. Basic skills in office proceedures, duplicating, office machines, machine and shorthand transcription, data processing and filing are taught. A simulated office project is used third quarter to further develop basic skills and make office work "come alive." During the fourth quarter each student receives on-the-job training in a local business office. The business department looks forward to increased rewards for the students participating in this vocational program.

THE ARTS

The music department of Gale-Ettrick-Trempealeau High School strives not only to obtain perfection in the mechanics of music, but also to develop responsible young adults who have a sense of pride in their organizations.

The Band, under the direction of Mr. Don Rowlands, and the Mixed Chorus and Girls Glee Club, under the direction of Mr. Randall Swenson, practice and perform many different types of music. Students find enjoyment in performing musical numbers and develop a sense of appreciation for all types of music.

Band and Chorus students must be responsible and take it upon themselves to perform their parts to perfection. The band students put forth extra effort when they play at all home football and basketball games.

Students are encouraged to participate in the solo-ensemble contest in order to develop individual skills and to experience the satisfaction of winning recognition on a personal-competition level.

Mr. Green says, "The excitement of art lies in not knowing. Its object is to teach value judgement, responsibility and self-reliance as well as skills and techniques necessary to art appreciation and studio work. "

SKILLS DEVELOPED THROUGH PHYS. ED.

The girls physical education classes are carrying on in fine tradition. Along with the regular activities, they have added a side horse, used for vaulting; broom hockey, played on the ice rink behing the school; and a stepped up golf program. With about 220 girls in the program, the gym is always busy with class, or girls coming in for extra help or extra credit.

The seniors receive the widest variety of activity in preparation for the leisure hours after graduation. Their offerings include touch football, exercise and gymnastics, badminton, curling, golf, archery and some recreational "specials" such as ice skating, folk dancing and jumping rope.

One of the group activities for the juniors culminated in a third place prize for a rhythmical gymnastics routine done at the Christmas talent show.

Along with physical fitness and body awareness, this department strives for enjoyment in every activity undertaken.

BOY'S PHY. ED. CLASS
On December 21, the Boys Physical Education Department participated in the Christmas Program. A trampoline exhibition was given with a representative from each class performing trampoline stunts. A rope climbing contest was held with a representative from each class trying for the championship.

The Boys Phy. Ed. classes, under the direction of Mr. Carroll took the President's Physical Fitness Test and developed skills and techniques in basketball, football, softball, track, curling, and gymnastics.

An all-high-school culing bonspiel was a follow-up to curling practice in class. Some of the boys' and girls' Phy. Ed. classes participated in co-ed volleyball.

ADDITIONAL FACILITIES FOR SCIENCE DEPARTMENT

The Science Department has improved its facilities with the remodeling of Room 10. Now all three science labs are located in the same part of the building. The new addition will provide more laboratory space for all science students. It is hoped that sometime in the near future a greenhouse may be provided for botanical and ecological studies.

The IPS course that was incorporated into our curriculum last year is definitely an asset. It is providing freshmen with a good basic foundation in laboratory and problem solving techniques that will aid all advanced science courses.

Biology Department has revised its curriculum for next year. Biology course contents have been changed and categorized into semester courses with all prerequisites listed.

The Department wishes each year to provide more and better opportunities for all students interested in science.

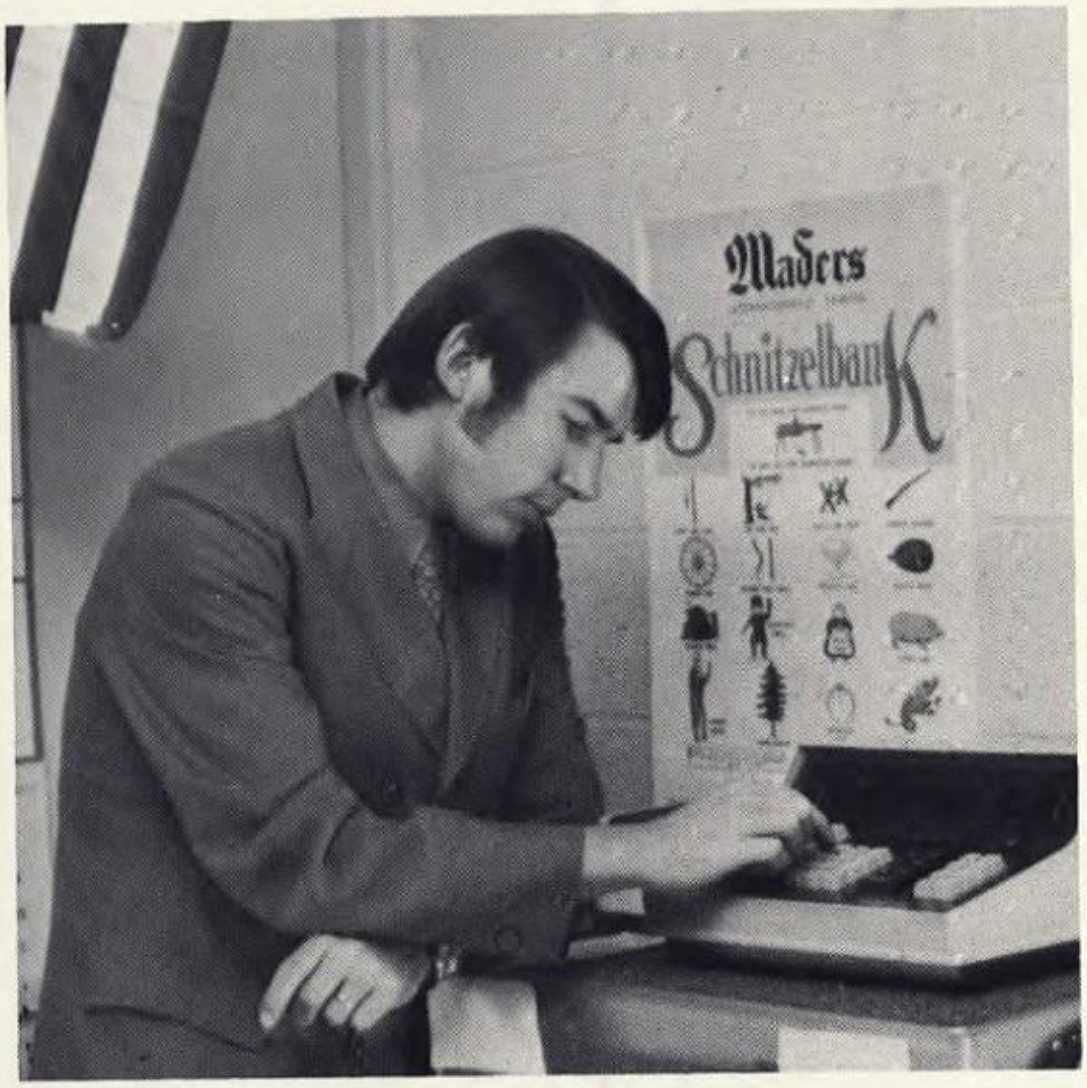
MATH STUDENTS USE COMPUTERS



ABOVE: Mr. L. Gautch

This year, senior students accompanied by their instructors, attended a two day workshop at Winona, where they studied the use of computers and worked with Fortran Language which deals with computer programming.

In the future, the Math Department hopes to establish computer programming for all grades, and to add two new courses to the curriculum next year; Consumers Math and Applied Math.

LANGUAGE GIVES US AN UNDERSTANDING OF OTHER PEOPLE

The French Department presently offers five possible years of consecutive study of the language. Speaking the language as a means of communication is the primary aim of the course study. The language laboratory enables students to listen to native speakers and to work on an individual basis. Mrs. Christianson teaches French on both the senior high and junior high levels.

This year the English Department consists of four faculty members: Mrs. Nelson, Mrs. Twesme, Mrs. Runnestrand, and Mr. Costanzo.

The goal of the English Department is to give students knowledge of their language and an understanding of other people through reading, writing, speaking, and listening.

At the present time, four years of English is required. Each year seniors have a choice between a college preparatory course and a course which is more vocational in nature.

After several years of talk and several months of planning which included a visit to other schools and various meetings, next year English courses offered to juniors and seniors will be changed and improved. Next year juniors and seniors will be selecting from approximately twelve elective courses, two of which will be required.

NEW COURSES ADDED TO SOCIAL STUDIES DEPT.

At the present time two credits are required for graduation, U. S. History and American Problems; these are required of the junior and senior classes.

Students have a variety of electives to select from also. Political Systems and Civics for the 9th grade, World History for grades 10, 11, and 12. This year for the first time, two new semester courses have been added, Introductions to the Behavorial Sciences and Sociology.

Next year the American Problems course will be replaced by four new electives, two of which are required. These new courses will be Introduction to Behavorial Science, Sociology, Consumer Economics and Political Science.

With the additions of new courses and improvements on the older ones, the Social Studies department is preparing students for outside life and further education in a more modern and complex system of living.

HOME EC'S NEW LOOK

The new look in home economics this year was a result of opening classes to the boys as well as girls. More enrolled in foods classes then before, and all offerings except Home Economics I were opened to both boys and girls.

Home Economics concerns itself with the overall ideas of human growth and development, management of family resources and personal and family relationships. Year-long courses are offered in Beginning Home Economics and the Family and semester courses in Food, Clothing, Housing and Home Furnishing, and Home Management.

Future Homemakers of America is an integral part of the home economics program.

AUTO MECHANICS AND ENVIRONMENTAL SCIENCE COURSES OFFERED

The 1971-72 school year has brought many changes to the Industrial Arts Department. This year a new Vocational Auto Mechanics course is being taught. The department also hopes to start a Graphic Arts area in the near future.

A new Industrial Arts Club has been formed this year and was honored as a charter member at the W. I. E. A. State Convention in Milwaukee along with eight other schools. Gale-Ettrick-Trempealeau was recognized as having one of the outstanding Industrial Arts Programs in the state. Mr. S. Prussing and R. Duellman teach Industrial Arts.

In addition to semester courses in resource conservation, soil and forest conservation, agri-business I and II, a pilot course in environmental science and conservation was offered this past summer.

Mr. Hendrickson also works with students on their individual projects and supervises the activities of FFA and WJDA.

THE KNOWLEDGE OF DRIVING

Drivers Education is actually two courses: The classroom course and the "behind-the-wheel" course. The classroom course is open to all sophomores and to juniors who have not had the course. For behind-the-wheel driving one must be at least sixteen years old. Mr. Solberg's goal is to promote safety on the highway among teenagers.

RIGHT: Mr. R. Solberg

GENERAL EDUCATION ACTIVITIES

The General Education program is a work-study program designed for students with learning problems whose needs and interests cannot adequately be met by the regular curriculum. The first two years consist of practical academics. Curriculum is planned by the teacher-counselor according to students' individual needs. During the junior and senior year, the students work at jobs in the community for two hours each day. The goal of the program is to prepare the students for employment after graduation.
